

# **BBC Club Prospero Society and Retired Members**

Dear Prospero Member,

The warmer weather has finally arrived and doesn't it lift your spirits! Our current outings are not very far through the calendar but the AGM went well. There were some good ideas for future events and we did have some enthusiasm for co-ordinating these. A big thank you for those who attended and contributed, it means a lot as we are in it together.

The theatre trip, Back to the Future, was cancelled due to lack of interest which was a shame as it was an award-winning show. The Lincoln's Inn visit was over-subscribed so you just can't predict the popularity of the events. The visit and lunch to Lincoln's Inn was one of the best experiences. The host was passionate about the subject, the buildings were exceptional, the history was very illuminating and the lunch was delicious. A great day out.

Have a lovely summer and I hope to see you at some of the forthcoming events.

Carol Elliott

Chairman, BBC Club, Prospero Section

You will notice the odd timing of this newsletter! It is being sent very early due both to the addition of an extra June trip and my annual leave. **PLEASE NOTE no replies will be sent before 14<sup>th</sup> June regardless of whether they have come in by post or email.** On this date Carol and I will deal with all correspondence received. Also although full 'how to get here' details are included with confirmations I have added some details to a couple of trips here which will hopefully help.

*Booking deadlines refer to the date when bookings close due to payment deadlines to venues. However applying before this date doesn't guarantee a place as the trip may become full earlier. All steps are taken to accommodate applications including a waiting list if necessary. Refunds after the booking deadline will only be possible if the place is taken by someone else.*

Best wishes, Gayner Leach
